Rob Neyer Baseball is fantasy baseball at its best. Our game allows you to create your "Dream Team" of players from the entire history of baseball. Want Cy Young on the mound with Johnny Bench behind the plate? How about Ted Williams, Barry Bonds and Mike Schmidt in your line-up? Rob Neyer Baseball gives you the chance to see any of your favorites in action in the most realistic simulation baseball game ever made.

**ESPN**  
OTHER MAGAZINE

**says...**

"If hardball history is your thing, there's no more addictive game... Draft real players from any time, ever, then send them to the plate against other all-timers. Who wouldn't want to see Josh Gibson go yard against Roger Clemens and J.R. Richard whiff Ted Williams?"
